Village Public Announcement

Timberlake is known for our lovely trees. Strong winds blow off the lake and as you know, knock down limbs and branches. For those of you who enjoy burning fires in your fireplace or backyard, there's always plenty of wood stored in the yard of the service garage for the taking. Please help yourself to the branches and wood of various sorts. Some pieces are already cut while others still need to be cut.

-Maureen Munera

Thanks!

Just a little note of thanks to all the residents and volunteers that brought Santa Claus back to Timberlake! You are greatly appreciated! The Santa and Christmas Luminaries help make our community so special. The participation in setting out the luminaries this year was fabulous!!! What a special village it has been to raise my children and bring my grandchildren into! I am proud to live here.

Thank you!
Janie Key

Come in out of the cold and warm your heart on the second Monday of the month at the Village Hall. 10:00 a.m. If you need more information, please call Ron Mona at [440 942-2887](tel:440-942-2887).

Safety Check

After a surge in recent news about carbon monoxide poisoning/deaths, I urge all resident so to be sure to have carbon monoxide detectors within their homes. Carbon monoxide is known to be a silent killer and often, the issue doesn't come to surface until it is too late. Please also be sure to check your car tailpipe, as it can often become covered in snow, not releasing carbon monoxide properly, and filling the car up with the noxious gas. Please be aware of exhaust pipes, especially after a severe snow storm, and help keep your loved ones safe.

As you can imagine this puts a strain on a family of 5 both emotionally and financially.
